We all need someone we can lean on

And if you want to, you can lean on me

We all need someone we can lean on
F# **B**
And if you want to, you can lean on me

Eb **E**
She said my breasts, they will always be open
F# **B**
You can rest your weary head right on me
Eb **E**
And there will always be a space in my parking lot
F#
When you need a little coke and sympathy

We all need someone we can cream on
F# **B**
And if you want to, you can cream on me
E
We all need someone we can dream on
F# **B**
And if you want to, you can dream on me

Eb **E**
I was dreaming of a steel guitar engagement
F# **B**
Thats when she took my health and sent it Jasmine Tea
Eb **E**
And then she knifed me in my dirty filthy basement
F#
With that jaded, faded, junky nurse (Oh what pleasant company)

B **E**
We all need someone we can bleed on
F# **B**
And if you want to, you can bleed on me
E
We all need someone we can bleed on
F# **B**
And if you want to, you can bleed on me
