```
Let Me Go
The Rolling Stones
(intro 4x) D G
(verse)
you re gonna get it straight from the shoulder
can t you see the party s over
D A
      G A
  let me go
(verse)
D
 can t you get it through your thick head
this affair is finished dead
D A G A
  let me go
(verse (type 2))
i tried giving you the velvet gloves
i tried giving you the knockout punch
D A
hey let me go
    D
let me go
A G
 let me go
A D
let me go
  G A
let me go
(break)
        G D
i find it hard to be cruel
i find it hard to be cruel
         Α
with a smile don t you?
                     G /B*
You ll never find that perfect love
       G /B
that you read about
        G/B
that you dream about
```

```
(verse)
maybe i ll become a playboy
hang around in gay bars
and move to the west side of town
(verse)
you re gonna get it straight from the shoulder
can t you see the party s over
hey, let me go
let me go
(instrumental - solo over the chords to 2 verses)
(verse)
so you think i m giving you the brush off
well i m just telling you to shove off
hey, let me go
(verse)
this ain t no time to waste my breath
we re going into sudden death
hey, let me go
(verse)
can t you get it through your thick head
this affair is dead as a doornail
hey, baby won t you let me go
(verse)
the bell has rung, and i ve called time
the chair is on the table, out the door baby
baby won t you let me go
let me go....
```
