

Miss Amanda Jones
The Rolling Stones

F#

Down and down she goes, our Amanda Jones

B

I said down and down and down and down
She'd look really lovely at home

E

Til somebody gonna come up and ask her

F#

B

To live happily ever after, Miss Amanda Jones

F#

On and on she goes little Miss Amanda Jones

B

I said on and on and on and on
just watch her as she grows

E

Don't wanna say it very obviously

F#

B

But she's living on nobility, Miss Amanda Jones

D#

Hey girl don't you realize the money invested in you

C#

Hey girl you just got to find

C#

E

F#

Someone who'll really pull your family through

F#

Up and up she goes our Amanda Jones

B

I said up and up and up and up
She looks quite delightfully stoned

E

She's the darling of the discotheque crowd

F#

B

Of her lineage she's rightfully proud, Miss Amanda Jones

D#

Hey girl with your nonsense nose all pointing right down at the floor

C#

Hey girl your suspender shows

C#

E

F#

And the girl behind you looks a bit unsure

F#

Round and round she goes the world of Amanda Jones

B

I said round and round and round and round
The balls and the dinners and show

E

The little girl she just wanders about

F#

B

Til it s time for her coming out, Miss Amanda Jones

F#

Round and round and round

Round and round and round.
