

Miss Amanda Jones
The Rolling Stones

G#

Down and down she goes, our Amanda Jones

C#

I said down and down and down and down

She'd look really lovely at home

F#

Til somebody gonna come up and ask her

G#

C#

To live happily ever after, Miss Amanda Jones

G#

On and on she goes little Miss Amanda Jones

C#

I said on and on and on and on

just watch her as she grows

F#

Don't wanna say it very obviously

G#

C#

But she's living on nobility, Miss Amanda Jones

F

Hey girl don't you realize the money invested in you

Eb

Hey girl you just got to find

Eb

F#

G#

Someone who'll really pull your family through

G#

Up and up she goes our Amanda Jones

C#

I said up and up and up and up

She looks quite delightfully stoned

F#

She's the darling of the discotheque crowd

G#

C#

Of her lineage she's rightfully proud, Miss Amanda Jones

F

Hey girl with your nonsense nose all pointing right down at the floor

Eb

Hey girl your suspender shows

Eb

F#

G#

And the girl behind you looks a bit unsure

G#

Round and round she goes the world of Amanda Jones

C#

I said round and round and round and round

The balls and the dinners and show

F#

The little girl she just wanders about

G#

C#

Til it s time for her coming out, Miss Amanda Jones

G#

Round and round and round

Round and round and round.
