

New Faces

The Rolling Stones

Intro (C# F# G# C#)

C#

There s a new guy in town

He s been dragging around

F# G# C#

He s the figure of youth

And his eyes are so blue

And they re looking at you

F# G# C#

So tell me the truth

F# G# C# F#

Well, well, he s got stories to tell

G# F# C#

He bites off more than he chews

F# G# C# F#

Well, well, is he ringing your bell

G# F# C# F# G# C#

My heart is breaking in two

And his skin is so fair

And it shines like his hair

F# G# C#

As he stands so aloof

With an indolent air

And an idolent stare

F# G# C#

That just shutters the truth

F# G# C# F#

Well, well, is he ringing your bell

G# F# C#

My heart is braking in two

F# G# C# F#

Well, well, he ll be rotting in hell

G# F# C#

For playing the devil with you

Bbm F#

Is it already too late

Bbm G#

No point shutting the gate

Bbm F#

Have you already swallowed the bait
G# C# F# G# C# F# G# C#
And your gone

As he knocks you down cold

As you lose all control
F# G# C#
To this slip of a youth

I see fire in his eyes

I see ice in his smile

F# G# C#
And i m learning the truth
F# G# C# F#

Well, well, he s got stories to tell
G# F# C#

Of love that is long overdue
F# G# C# F#

Well, well, who is under his spell
G# F# C#

Is playing the devil his due
F# G# C#

hum, hum, hum.
