C# G#
Take me to the station
C# G#
And put me on a train
C# G#
I've got no expectations
F# C# G#
To pass through here again

C# G#
Once I was a rich man
C# G#
Now I am so poor
C# G#
But never in my sweet short life
F# C# G#
Have I felt like this before

C# G#
Your heart is like a diamond
C# G#
You throw your pearls at swine
C# G#

And as I watch you leaving me
F# C# G#
You pack my piece of mind

C# G#
Our love was like the water
C# G#
That splashes on a stone
C# G#
Our love is like our music
F# C# G#
It's here, and then it's gone

C# G#
So take me to the airport
C# G#
And put me on a plane
C# G#
I got no expectations
F# C# G#
To pass through here again
