Bb Bb
 Here you stand before me
 Bb G# G#
 Waiting to be kissed
 G# G G
 You re beauty
 F F
 Such a cutie
 G# G# Bb Bb
 How could I resist?

 It s been a month of Sundays
 Since we last have spoke
 So much water

You ve got daughters
I fell out the boat

Chorus:

Eb
Oh no, not you again
Bb
Fucking up my life
G#
It was bad the first time
Eb Bb
I can t stand it twice
Eb
Oh no, not you again
Bb
I can t stand the pace
G#
Once bitten twice shy
Eb Bb
Let me out the race

Verse:

The setting s so romantic
Love is in the air
All is perfect
But I m allergic
To your piercing stares

You look so cool and tempting
In your couture dress
You re addictive
As predicted
I m nervous, I confess

Chorus:

Oh no, not you again
Messing up my life
It was bad the first time
You had me in a vice
Oh no, not you again
I hear the inner shout
It was bad the first time around
When you turned me inside out

Verse:

Everybody s talking
 Showing off their wit
 The moon is yellow
 I m like jello
 Staring down your tits

My life flashes forward
 Then it flashes back
 I m still dreaming
 And I m screaming
 Get me off the rack

Chorus:

Oh no, not you again
 I can t stand the pain
 I was burnt the first time
 I can t deal again
 Oh no, not you again
 Messing up my life
 Once bitten twice shy
 I can t do it twice

Oh no, not you again
Fucking up my life
It was bad the first time around
I better take my own advice
