*VERSE:
      I was out in the city
      I was out in the rain
      I was feeling down-hearted
      I was drinking again

*VERSE:
      I was standing by the bridges
      Where the dark water flows
      I was talking to a stranger
      About times long ago

PRE-Chorus:
               D
      I was young
            A
      I was foolish
          F#
      I was angry
            Bm
      I was vain
              D
      I was charming
            A
      I was lucky
             F#   Bm
      Tell me how have I changed

Chorus:

```
                 D
       Now I m out
           A          Bm
       Oh out of control
                  D
       Now I m out
            A          Bm
       Oh out of control
( N.C.)
       Oh help me now

VERSE:
       And the girls in the doorway
       And the boys on the game
       And the drunks and the homeless
       They all know me

VERSE:
       And the police on the corner
       Give a nod and a wave
       As they point me
       To my final destination

PRE-Chorus:
       I was young
       I was foolish
       I was angry
       I was vain
       I was charming
       Feeling lucky
       Tell me how have I changed

Chorus:
       Now I m out
       Oh out of control
       Now I m out
       Oh out of control
       Oh help me now

INSTRUMENTAL:  play intro riff -- 4x s

VERSE:
       In the hotel I m excited

       Gonna change her
```

PRE-Chorus:

        I was young

        Tell me how have I changed

        Now I m out
        Oh out of control

        Oh out of control
