

Play With Fire
The Rolling Stones

Ebm

Well, you ve got your diamonds

Ebm

And you ve got your pretty clothes

Ebm

And the chauffeur drives your cars

Ebm

You let everybody know

Ebm F# C# F#

But don t play with me

B Ebm

Cause you re playing with fire

Ebm

Your mother she s an heiress

Ebm

Owns a block in Saint John s Wood

Ebm

And your father d be there with her

Ebm

If he only could

Ebm F# C# F#

But don t play with me

B Ebm

Cause you re playing with fire

Ebm

Your old man took her diamonds

Ebm

And tiaras by the score

Ebm

Now she gets her kicks in Stepney

Ebm

Not in Knightsbridge anymore

Ebm F# C# F#

But don t play with me

B Ebm

Cause you re playing with fire

Ebm

Now you ve got some diamonds

Ebm

And you will have some others

Ebm

But you d better watch your step, girl

Ebm

Or start living with your mother

Ebm F# C# F#

But don t play with me

B Ebm

Cause you re playing with fire

Ebm F# C# F#

But don t play with me

B Ebm

Cause you re playing with fire
