1. She would never say where she came from,  
**Bbm**            **Bbm7/G**            **F#**            **G#**  
yesterday don t matter if it s gone,  
**Bbm**            **Eb7**            **G#**            **Bbm**            **Eb7**            **G#**  
while the sun is bright, or in the darkest night

no one knows, she comes and goes.  
**C#**            **G#**            **F#**            **C#**            **G#**            **F#**            **C#**  
Good - bye Ruby Tuesday, who could hang a name on you

2. Don t question why she needs to be so free,  
**Bbm**            **Bbm7/G**            **F#**            **G#**  
She ll tell you it s the only way to be.  
**Bbm**            **Eb7**            **G#**            **Bbm**            **Eb7**            **G#**  
She just can t be chained, to a life where nothing`s gained,  
**F#**            **C#**            **G#**  
and nothings lost, at such a cost.    + REFRAIN  
**Bbm**            **Bbm7/G** **F#**            **G#**            **C#**  
3. There s no time to lose I heard her say,  
**Bbm**            **Bbm7/G**            **F#**            **G#**  
she ll cash your dreams before they slip away.  
**Bbm**            **Eb7**            **G#**            **Bbm**            **Eb7**            **G#**  
Dying all the time, lose your dreams and you ll  
**F#**            **C#**            **G#**  
lose your mind, ain t life unkind.
