She comes in colors everywhere, she combs her hair....
She s like a rainbow. Come in colors in the air
                           G7
Oh everywhere, she comes in colors.....
                                             Csus C
She comes in colors everywhere, she combs her hair....
                      C7
She s like a rainbow. Come in colors in the air
       Csus C
                           G7
Oh everywhere, she comes in colors.....
Have you seen her dressed in blue?
See the sky in front of you
And her face is like a sail
Speck of white so fair and pale
                      Csus C
Have you seen the lady fair-oh?
                         F
                                            Csus C
She comes in colors everywhere, she combs her hair....
She s like a rainbow. Come in colors in the air
                           G7
Oh everywhere, she comes in colors....
Have you seen her all in gold?
Like the queen in days of old
She shoots colors all around
Like a sunset going down
                      Csus C
Have you seen the lady Pharaoh
