           G#5           C#5
I m so hot for her, i m so hot for her
           F#5           G#5
i m so hot for her and she s so cold
                           C#5
i m so hot for her, i m on fire for her
           F#5           G#5
i m so hot for her and she s so cold
                           C#5
I m the burning bush, i m the burning fire
           F#5           G#5
i m the bleeding volcano
                           C#5
i m so hot for her, i m so hot for her
           F#5           G#5
i m so hot for her and she s so cold

```

Yeah, i tried re-wiring her, tried re-firing her
i think her engine is permanently stalled
she s so cold she s so cold
she s so cold cold cold
like a tombstone

she s so cold, she s so cold
she s so cold cold cold like an ice cream cone
she s so cold she s so cold
i dare not touch her my hand just froze

Yeah, i m so hot for hot for her, i m so hot for her
i m so hot for her and even so
put your hand on the heat, put your hand on the heat
aw c mon baby, let s go
She s so cold, she s so cold, cold, she s so c-c-c-old
but she s beautiful, though

Yeah, she s so cold

Solo

She s so cold, she s so cold
she was born in an arctic zone
she s so cold she s so cold, cold, cold
i dare not touch her my hand just froze
She s so cold, she s so goddamn cold she s so
cold cold cold she s so cold

Who would believe you were a beauty indeed
when the days get shorter and the nights get long
lie awake when the rain comes
nobody will know, when you re old
when you re old, nobody will know
that you was a beauty, a sweet sweet beauty
a sweet sweet beauty, but stone stone cold
You re so cold, you re so cold, cold, cold
you re so cold, you re so cold
I m so hot for you, i m so hot for you
i m so hot for you and you re so cold
I m the burning bush, i m the burning fire
i m the bleeding volcano
