           A5           D5
I m so hot for her, i m so hot for her
           G5           A5
i m so hot for her and she s so cold
                           D5
i m so hot for her, i m on fire for her
           G5           A5
i m so hot for her and she s so cold
                           D5
I m the burning bush, i m the burning fire
           G5           A5
i m the bleeding volcano
                           D5
i m so hot for her, i m so hot for her
           G5           A5
i m so hot for her and she s so cold

```

Yeah, i tried re-wiring her, tried re-firing her  
i think her engine is permanently stalled  
she s so cold she s so cold  
she s so cold cold cold  
like a tombstone

she s so cold, she s so cold  
she s so cold cold cold like an ice cream cone  
she s so cold she s so cold  
i dare not touch her my hand just froze

Yeah, i m so hot for hot for her, i m so hot for her  
i m so hot for her and even so  
put your hand on the heat, put your hand on the heat  
aw c mon baby, let s go  
She s so cold, she s so cold, cold, she s so c-c-c-old  
but she s beautiful, though

Yeah, she s so cold

Solo

She s so cold, she s so cold  
she was born in an arctic zone  
she s so cold she s so cold, cold, cold  
i dare not touch her my hand just froze  
She s so cold, she s so goddamn cold she s so  
cold cold cold she s so cold

Who would believe you were a beauty indeed  
when the days get shorter and the nights get long  
lie awake when the rain comes  
nobody will know, when you re old  
when you re old, nobody will know  
that you was a beauty, a sweet sweet beauty  
a sweet sweet beauty, but stone stone cold  
You re so cold, you re so cold, cold, cold  
you re so cold, you re so cold  
I m so hot for you, i m so hot for you  
i m so hot for you and you re so cold  
I m the burning bush, i m the burning fire  
i m the bleeding volcano
