

Shine a Light
The Rolling Stones

C **G**
Saw you stretched out in room ten o nine
Am **G**
With a smile on your face and the tears right in your eye
F **C**
Could not seem to get a line on you
G **F** **C** **G**
My sweet honey love

C **G**
And Berber jewelry jangling down the street
Am **G**
Making bloodshot eyes at every woman that you meet
F **C**
Could not seem to get a high on you
G **F** **C** **G**
My sweet honey love

C **G**
May the good Lord shine a light on you
F **C**
Make every song you sing your favorite tune
C **G**
May the good Lord shine a light on you
F **C**
Warm like the evening sun

C
And you re drunk in the alley
G
with your clothes all torn
Am
And your late night friends leave you
G
in the cold gray dawn
F **C**
Just seemed too many flies on you
G **F** **C** **G**
I just can t brush them off

C **G**
And the angels beating all their wings in time
Am **G**
With a smile on their face and a gleam right in their eyes
F **C**

Oh thought I heard one sigh for you
