

Shine a Light
The Rolling Stones

C# **G#**
Saw you stretched out in room ten o nine
Bbm **G#**
With a smile on your face and the tears right in your eye
F# **C#**
Could not seem to get a line on you
G# **F#** **C#** **G#**
My sweet honey love

C# **G#**
And Berber jewelry jangling down the street
Bbm **G#**
Making bloodshot eyes at every woman that you meet
F# **C#**
Could not seem to get a high on you
G# **F#** **C#** **G#**
My sweet honey love

May the good Lord shine a light on you
F# **C#**
Make every song you sing your favorite tune
C# **G#**
May the good Lord shine a light on you
F# **C#**
Warm like the evening sun

C#
And you re drunk in the alley
G#
with your clothes all torn
Bbm
And your late night friends leave you
G#
in the cold gray dawn
F# **C#**
Just seemed too many flies on you
G# **F#** **C#** **G#**
I just can t brush them off

C# **G#**
And the angels beating all their wings in time
Bbm **G#**
With a smile on their face and a gleam right in their eyes
F# **C#**

Oh thought I heard one sigh for you

G# **F#**

Come on up now, come on up now,
