

Sister Morphine
The Rolling Stones

Intro: **Gm7 Gm Gm7 Gm**

Gm7 Gm Gm7 Gm
Here I lie in my hospital bed
Csus2 Gm Csus2 Gm
Tell me, Sister Morphine, when are you coming round again?
F Eb *[fill 1]
Oh, and I don t think I can wait that long
Bb F Eb Gm
Oh you see I m not that strong

Gm7 Gm Gm7

Gm Gm7 Gm
The scream of the ambulance is sounding in my ears
Csus2 Gm *[fill 2]**Csus2 Gm**
Tell me, Sister Morphine, how long have I been lying here?
F Eb
What am I doing in this place?
D Eb
Why does the doctor have no face?
F Eb
Oh, I can crawl across the floor
Gm Eb Gm
Can t you see, Sister Morphine, I m trying to score.

Gm7 Gm Gm7 Gm
Well it just goes to show things are not what they seem-
Csus2 Gm Csus2 Gm
Please, Sister Morphine, turn my nightmares into dreams.
F Eb
Oh can t you see I m fading fast?
Gm Eb Gm
And the big shot will be my last.

Gm7 Gm Gm7 Gm
Sweet cousin cocaine, lay your cool cool hands on my head
Csus2 Gm Csus2 Gm
Oh c mon Sister Morphine, better make up my bed
F Eb
Cos you know and I know in the morning I ll be dead
Gm Eb D Gm
You can sit around and watch all the clean white sheets stained red.
