

Sister Morphine
The Rolling Stones

Intro: **Bm7 Bm Bm7 Bm**

Bm7 Bm Bm7 Bm
Here I lie in my hospital bed

Esus2 Bm Esus2 Bm
Tell me, Sister Morphine, when are you coming round again?

A G *[fill 1]
Oh, and I don't think I can wait that long

D A G Bm
Oh you see I'm not that strong

Bm7 Bm Bm7

Bm Bm7 Bm
The scream of the ambulance is sounding in my ears
Esus2 Bm *[fill 2] **Esus2 Bm**
Tell me, Sister Morphine, how long have I been lying here?

A G
What am I doing in this place?
F# G
Why does the doctor have no face?

A G
Oh, I can crawl across the floor
Bm G Bm
Can't you see, Sister Morphine, I'm trying to score.

Bm7 Bm Bm7 Bm
Well it just goes to show things are not what they seem-
Esus2 Bm Esus2 Bm
Please, Sister Morphine, turn my nightmares into dreams.

A G
Oh can't you see I'm fading fast?
Bm G Bm
And the big shot will be my last.

Bm7 Bm Bm7 Bm
Sweet cousin cocaine, lay your cool cool hands on my head
Esus2 Bm Esus2 Bm
Oh c'mon Sister Morphine, better make up my bed
A G
Cos you know and I know in the morning I'll be dead
Bm G F# Bm
You can sit around and watch all the clean white sheets stained red.
