Sweet Black Angel The Rolling Stones

```
G
Got a sweet black angel,
Got a pin up girl,
Got a sweet black angel,
Up upon my wall.
Well, she ain t no singer
And she ain t no star,
But she sure talk good,
And she move so fast.
But the gal in danger,
Yeah, de gal in chains,
But she keep on pushin ,
Would ya take her place?
She countin up de minutes,
She countin up de days,
                     D
She s a sweet black angel, woh,
Not a sweet black slave.
Ten little niggers
Sittin on de wall,
Her brothers been a fallin ,
Fallin one by one.
For a judge they murdered
And a judge they stole
Now de judge he gonna judge her
```

For all dat he s worth.
