

The Singer, Not The Song
The Rolling Stones

C Am7
Everywhere you walk I always go
C Am7 Dm
I'm always giving you the things you know
G7 C C7 F G
Just say so cause you gave me that feeling inside
C Am
But I know I must be right
Dm7 G7 Dm7 G7 C
It's the singer - er not the song.

C Am7
It's not the way you give in willingly
C Am7 Dm
Others do it without thrilling me
G7 C C7 F G
Kissing me that same old feeling inside
C Am
But I know I must be right
Dm7 G7 Dm7 G7 C
It's the singer - er not the song.

C Am7
The same old places and the same old song
C Am7 Dm
We've been going there for much too long
G7 C C7 F G
There's something wrong and it gives me that feeling inside
C Am
That I know I must be right
Dm7 G7 Dm7 G7 C
It's the singer - er not the song.
