

The Spider And The Fly
The Rolling Stones

[Intro] **F#**

F#
Sittin thinkin sinkin drinkin
F#
Wondering what I d do when I m through tonight
B
Smoking moping, maybe just hopin
F#
Some little girl will pass on by
C# **B**
Don t wanna be alone but I love my girl at home
F# **C#**
I remember what she said
F#
She said, My, my, my don t tell lies, keep fidelity in your head
B **F#**
My my my, don t tell lies. When you re done you should hit the bed
C# **B**
Don t say hi, like a spider to a fly
F# **C#**
Jump right ahead and you re dead

F#
Sit up, fed up, low down go round
F#
Down to the bar at the place I m at
B
Sitting drinking, supereficially thinking
F#
About the rinsed-out blonde on my left
C# **B**
Then I said, hi like a spider to a fly
F# **C#**
Remebering what my little girl said

[Solo] **F# B F# C# B F# C#**

F#
She was common, flirty, she looked about fifty
F#
I would have run away but I was on my own
B
She told me later she s a machine operator
F#
She said she liked the way I held the microphone
C# **B**

I said my, my, like the spider to the fly

F#

C#

Jump right ahead in my web
