

**Till The Next Goodbye**  
**The Rolling Stones**

Intro: **D G D G D**

Honey, is there any place that you would like to eat?

I know a coffee shop down on Fifty-Second Street

And I don t need no fancy food and I don t need no fancy wine

And I sure don t need the tears you cry

Till the next time we say goodbye

Till the next time we say goodbye

Till the next time we say goodbye

I ll be thinking of you

I ll be thinking of you

Yeah, a movie house on Forty-Second Street

Ain t a very likely place for you and I to meet

Watching the snow swirl around your hair and around your feet

And I m thinking to myself she surely looks a treat

Till the next time we say goodbye

Till the next time we say goodbye

Till the next time that we kiss goodnight

I ll be thinking of you

I ll be thinking of you

I can t go on like this, can ya? Can ya?

I can t go on like this, can ya?

You give me a cure all from New Orleans

Now that s a recipe I sure do need
