

**Time is on my side**  
**The Rolling Stones**

Introdução: Bb Dm G7 C7

**E**                    **A**                    **B7**  
Time is on my side, yes it is  
**E**                    **A**                    **B7**  
Time is on my side, yes it is  
**C#m**                                    **B**                    **C#m**  
Now you were just saying that you  
   **F#7**  
want to be free  
                                 **B**                    **A**                    **B**  
But you ll come running back  
   **A**  
You ll come running back  
**C#m**                                    **B**  
You re searchin for good times but  
**C#m**                                    **F#7**  
just wait and see  
                                 **B**                    **A**                    **B**  
You ll come running back  
   **A**  
You ll come running back  
                                 **B**                    **A**                    **B7**  
You ll come running back to me  
**E**                    **A**                    **B7**  
Time is on my side, yes it is  
**E**                    **A**                    **B7**  
Time is on my side, yes it is  
                                 **C#m**                                    **B**                    **C#m**  
Cause i ve got the real love the kind  
   **F#7**  
That you need  
**E**                    **A**                    **B7**  
Time is on my side, yes it is (3x)
