You could not chew me up
Too tough, too tough, too tough, too tough

When it comes to fighting
Trying to play it rough
I will take you twenty rounds
I m just too tough, too tough

To a teenage bride
You said it s only physical
But I love her deep inside
I still see you in my dreams
With a kitchen knife
With it poised above your head
Now who you gonna slice?

Chorus:

When it comes to fighting
Trying to play it rough
I will take you twenty rounds
I m just too tough, too tough
