E |--3-----| times a million.

[Verse]

When your spine is cracking and your hands, they shake
Heart is bursting and you butt s gonna break
Your woman s cussing, you can hear her scream
Feel like murder in the first degree

Gm **Bb** **F** **C**
Ain t nobody slowing down, no way.
Everybody s stepping on their accelerator
Gm **Bb** **F** **C**
Don t matter where you are, everybody s gonna need
A ventilator, yeah

When you re trapped and circled with no second chances
Code of living is your gun in hand, we can t be
Browed by beating, we can t be cowed by words
Messed by cheating, ain t gonna ever learn

Gm **Bb** **F** **C**
Everybody walking round. Everybody trying to step on
Their creator
Gm **Bb** **F** **C**
Don t matter where you are. Everybody, everybody goooo...
...ooonnnna need some kind of ventilator
Some kind of ventilator (come down and get it)

What you gonna do about it, what you gonna do?
What you gonna do about it, what you gonna do?
Gonna fight it, gonna fight it
Gonna fight it, gonna fight it
Gonna fight it, gonna fight it
