**C**

**F**

**C**

I m just waiting on a friend,            just waiting on a friend

(instrumental for 16 bars, just alternating **F** and **C**, one measure each, and  
soloing away, then return to **F** for the last two verses)

3. Don t need a whore, don t need now booze,

don t need a virgin priest.

But I need some one I can cry to,

I need someone to protect.

4. Ooh, making love and breaking hearts,

It is a game for youth.

But I m not waiting on a lady,  
I m just waiting on a friend.

(repeat bridge, fade instrumental...)

This song is excellent fun to play... hope the notation is not too cryptic.  
Don t forget to emphasize the C bass note in the intro and bridge...

Here s another hint to help you get that strummed melody at the  
beginning:

**Cadd9 Dm Fmaj7**

e-----0---  
B-----3-3-3-3---3--1---  
G-----0-0-0-0---2--2---  
D-----2-2-2-2---3--3---  
A-2h3---3-3-3-3-----3---  
E-----

The first two chords are the **Csus2** and a **Dm** that sneaks in  
for one strum before the F.

Hope this helps.

I don't know the whole song, but I know some bits. Here's the opening:

**Cadd9 F**

```
--0-0-0-0--1-----1-----  
--3-3-3-3--1-----1-----  
--0-0-0-0--2-----2-----  
--2-2-2-2--3--x--3--3-----  
--3-3-3-3-----2-3-  
-----
```

8 times

(I haven't figured out the verse yet)

This part is in the bridge, after I'm just standing in a doorway, and after I'm just trying to make some sense:

**Cadd9 C**

```
--0-0-0---0-  
--3-3-3---1-  
--0-0-0---0-  
--2-2-2---2-  
--3-3-3---3-
```

-----

I hope this is a good start. I play along with the tape, and it sounds accurate.....maybe with a couple transfusions I could figure out the rest :)
