

Whole wide world
The Rolling Stones

CAPO 3er TRASTE!!!!

Intro:

C

Em C Em C

Em C

The streets I used to walk on

Em C

Are full of broken glass

Em C

And everywhere I m looking

Em C

There s memories of my past

Em C

The filthy flat in Fulham

Em C

The smell of sex and gas

Em C

I never, ever really knew

Em C

Where I was sleeping next

G

When the whole wide world s against you

F#m

And you re standing in the rain

Em

When all your friends have let you down

C

And treat you with disdain

G

When the whole wide world s against you

F#m

And that s got you on the run

Em

And you think the party s over

C

Em C Em C

But it s only just, only just begun

Em C

Behind the bars of prison

Em C

You never guess it now

Em

C

They wanna break your balls in those slimy walls

Em

C

And the guards are lardy louts

Em C

The cameras that are watching you

Em C

They see a sullen face

Em C

Get me out the door, can't keep me in no more

Em C

I'm breaking down the gates

G

When the whole wide world's against you

F#m

And you're standing in the rain

Em

And your walls are one beside you

C

To put you up again

G

When the whole wide world's against you

F#m

And that's got you on the run

Em

And you think the party's over

C

Em C

But it's only just, only just begun

Instrumental

Em C

Em C Em C

Em C Em C

Em C Em C

G

When the dreary streets of London

F#m

They never promise much

Em

A dead end job to nowhere

C

And all your dreams are crushed

G

When the whole wide world's against you

F#m

And you're standing in the rain

Em

When all your friends have let you down

C

And treat you with disdain

G

And you think the party's over

F#m

But it's only just begun

Em

Let s raise a glass, get up and dance

C

Em C

Cause life s just hit and, hit and, hit and run

Em C

Em

Hit and run, yeah

C

Em C Em C

The party s over

Em C Em C

Ayy

Em C

Em

World?s against you
