

Brother

The Romany Rye

The Romany Rye - Brother

always the same chords, but before the chorus the D isn't played

A **C#m**
Brother I m a fool, can t you see

E **D** **A**
Sister there s just no foolin` me

A **C#m**
Brother I m a fool, can t you see

E **D** **A**
Sister there s just no foolin` me

If time, is in motion
I ll be, high as the tide
With no peace, to speak of being satisfied

If love, is a language,
I will cut out my tongue
No use for singin the songs already been sung

A
If Spring has the answer,

C#m
lonely winter,

E **A**
you ll be on my mind

Brother I m a fool, can t you see
Sister there s just no foolin` me
Brother I m a fool, can t you see
Sister there s just no foolin` me

The faith, of a sea
Could move a mountain indeed
Brother I m a fool, can t you see

Peace, like a river both deep and wide
Stand on the banks and watch her pass me by
If love has an answer, then momma you ll be on my mind

Brother I m a fool, can t you see
Sister there s just no foolin` me
Brother I m a fool, can t you see

Sister there s just no foolin` me

Brother I m a fool, can t you see
Sister there s just no fool in me
Brother I m a fool, can t you see
Sister there s just no foolin` me

Brother I m a fool, can t you see
Sister there s just no foolin` me
Brother I m a fool, can t you see
Sister there s just no foolin` me
