The Romany Rye

The Romany Rye - Brother

always the same chords, but before the chorus the D isn t played

A C#m

Brother I m a fool, can t you see

E D A

Sister there s just no foolin` me

A C#m

Brother I ${\tt m}$ a fool, can t you see

E D A

Sister there s just no foolin` me

If time, is in motion

I ll be, high as the tide

With no peace, to speak of being satisfied

If love, is a language,

I will cut out my tongue

No use for singin the songs already been sung

Α

If Spring has the answer,

C#m

lonely winter,

E 2

you ll be on my mind

Brother I m a fool, can t you see Sister there s just no foolin` me Brother I m a fool, can t you see Sister there s just no foolin` me

The faith, of a sea
Could move a mountain indeed
Brother I m a fool, can t you see

Peace, like a river both deep and wide Stand on the banks and watch her pass me by If love has an answer, then momma you ll be on my mind

Brother I m a fool, can t you see Sister there s just no foolin` me Brother I m a fool, can t you see Sister there s just no foolin` me

Brother I m a fool, can t you see Sister there s just no fool in me Brother I m a fool, can t you see Sister there s just no foolin` me

Brother I m a fool, can t you see Sister there s just no foolin` me Brother I m a fool, can t you see Sister there s just no foolin` me
