If tonight is the night then today is my day
that I should hang it all on display
your s was just a losing game
that I decided i should play

Em **C** **G**
throw your arms around my neck
Em **C** **G**
won t be soon to forget
Em **C** **G**
throw your arms around my neck
Em **C** **G D/F#** **C**
won t be soon to forget

felt the winds direction bringing change
clouds so softly full of rain
summer fell an the winter sprang
now it s all a feeling I can t back again

throw your arms around my neck
won t be soon to forget
throw your arms around my neck
won t be soon to forget

cloudy thoughts against a clear blue sky
when the feeling came I felt like getting high
with no sense to try to find my peace of mind
cause maybe I was born to be (win?) dissatisfied

throw your arms around my neck
won t be soon to forget
throw your arms around my neck
won t be soon to forget
