Is this what I get for lovin you, baby?  
**E** **B**  
There was a night when you held me tight  
**Bm**  
And you said you d always love me  
You said you d never hurt me  
What would there be left for me?  
It s such a cruel world to be alone in  
I always needed you to look out for me, oh baby

I m gonna miss your loving arms  
They re the only arms I feel at home in  
Don t you know how lonely I m gonna be
