Overboard by the Rosenbergs  
from the album Mission: You (2001)  
Tabbed by J Penslar

Tuning: Standard, 1/4 step down

F1: x3321x (switches to x3301x at rhythmic spots in the verses)

C: x32010

D1: x54030 (switches to x54430 at rhythmic spots in the verses)

F2: 133211

G: 320003

D2: xx0232

A: x02220

Verse:

F1

Every little thing that you have gone through

C D1

I know you're lonely waiting on the moon

F1

I was listing all the ways to find you

C D1

I know you're lonely waiting on the moon

(Verse chords)

Now I'm understanding all I'm hearing

You knew you only borrowed what you love

I was listing all the ways to find you

I don't wanna be the one above

Chorus:

F2

Open up wide

G

I'm overboard

D2

Maybe I was just your novelty

F2

Open up wide

G

I m overboard

**D2**

**A**

You decide on where you wanna be

(Verse chords)

Now I m understanding what I m feeling  
You knew you never borrowed what you love  
I was listing all the ways to fail you  
I told you I would be the one to burn

(Chorus chords)

Open up wide  
I m overboard  
Maybe I was just your novelty

Open up wide  
I m overboard  
You decide on where you wanna be

**F**

Open up wide

**G**

Open up wide

**F**

Open up wide

**G**

Open up wide (...)

-- I like this song... very reminiscent of the better music by Oasis,  
especially The Masterplan . It was featured on the final episode of the  
extremely underappreciated show Undergrads .
