The Rubens

Hey, here s another Rubens tab for you guys. If you want to be playing the chords like the song, then use the barchords for every single chord, but otherwise, open chords work too.

And here s a cover for reference: <http://www.youtube.com/watch?v=th1FbghKfq8>

I don t wanna be the one
A **Em**
To stop you from having fun
Em **D**
I ve held you back for long enough

It was different when we fell in love

Em D A Em x2

Em **D**
I see these things I never saw
A **Em**
You love me, I love you more

It doesn t have to end in tears

(Chorus)

Em **G** **D** **Em**
G **D**
I must admit, I momentarily fell into your maze
Em **G** **D** **Em**
G **D**
I must admit, I momentarily missed the good old days

Em **D**
It seems as though, you can t decide
A **Em**
Now it s time, I swallowed my pride
Em **D**
And put it all on the line
A **Em**
I told you not to waste my time
Em **D**
You re the sweetest thing, but you cut me deep
A **Em**
I can t eat and I can t sleep

You got my soul, and I'm not fine

(Chorus)
