[verse1]

G **E** **C** **D**
Now's not the right time for love / Cause I'm busy building an igloo in

Alaska
Perhaps if you had asked me last week / I was redesigning China's Political
System

GM7 **C** **GM7**
And that's not easy / With so many people / So many mouths
C **GM7** **C**
And all that rice / and all those bikes / and don't think twice
D
But there's so much left to do right here tonight

[chorus]

Now's not the right time for love / Now's not the right time for love

[verse2]

Now's not the right time for love / Cause I'm busy building a race track in
Nebraska
Perhaps if you had asked me last week / I was painting the Empire State Building
And that's not easy / From the top of a ladder / Standing on a head of the
statue of liberty
With a high powered spray gun / Across the bay, hun
Well there's so much left right here that needs to be done

Now's not the right time for love / Now's not the right time for love

D **C** **G**
Ddddddd " Did you really think we'd stay together?
My ever changing moods will shift just like the weather
I got seven phone lines and they're ringing off the hook
A **D**
And I'm trying to change the world and I've got no time to look for love

[chorus]

Now's not the right time for love / Now's not the right time for love

air
And cute guys with crew cuts / Naming stars / But the gravity keeps a-pulling me
back to the bars

Now s not the right time for love / Now s not the right time for love
