Bm A G A

I need to find a way hard
Get the feeling again, oh-oh
That you awaited the dark

Em

And you gotta go

Bm A G A

And everything stops
You ve got no way to explain, oh-oh
Lets just pack up the car

Em

Cause you gotta go

Bm A G A

To find a way in your heart
And feel the heat once again, oh-oh
You holler breaks and we stop

Em

And you gotta flow

Bm A G A

I knew I tasted blood
What a way to restrain, oh-oh
We just flow through the dark

Em

You gotta go

Want to go

Gotta know
Want to go

Bm A G A

Bab-ba-bababa

Bm A G A

You just flow into a sullen sky (repeated)
