Capo on 5th, all chords played normally relative to capo.

For rhythm, listen to the track!

Intro: **Am**/open

Verse 1:

**Am** **C**  
Well hanging out on muscle relaxants,  
**Em** **F**  
Trying hard to see the worst that can happen now  
**Am** **C**  
I never know what s holding you up  
**Em** **F**  
And I never know when I m holding you too much.

Chorus:

**Am** **C** **G6** **Dm**  
Wouldn t you try\_\_ to find something else to bring you up  
**Am** **C** **Am** **Am**  
You don t know what you like.  
**Am** **C** **G6** **Dm**  
And I\_\_ could find something else to bring you up  
**Am** **C** **Am** **Am**  
You don t know what you like.

Verse 2:

**Am** **C**  
The party was worse than imagined,  
**Em** **F**  
And I never know when I m holding you awake.  
**Am** **C**  
Never know what you like,  
**Em** **F**

And I never know when I m holding you tight.

**Am**

**C**

Never know what you find,

**Em**

**F**

And our hearts will slow thought I know you hold me tight.

Chorus, same as previous:

Wouldn t you try to find something else to bring you up

You don t know what you like.

And I could find something else to bring you up

You don t know what you like.

Bridge: Same as verse? Still working on that part...

Chorus, same as previous:

Wouldn t you try to find something else to bring you up

You don t know what you like.

And I could find something else to bring you up

You don t know what you like
