[English translation]

[Choruses]

Woman of Guantanamo, peasant woman of Guantanamo,
Woman of Guantanamo, peasant woman of Guantanamo!

[Verse 1]

I am a truthful man from the land of the palm trees,
I am a truthful man from the land of the palm trees,
And before dying, I want to share these poems of my soul!

[Verse 2]

My poems have soft green, my poems are also flaming crimson,
My poems have soft green, my poems are also flaming crimson,
My poems are like a wounded fawn seeking refuge in the forest!

[Verse 3]

With the poor people of this earth I want to share my fate,
With the poor people of this earth I want to share my fate,
The streams of the mountains please me more than the sea!
