Bridge: Bm Em Bm C Dsus D

Yeah, yeah, deeper, deeper

G D C Dsus D
It's been 7 days, 50 calls, I can't lose this, I can't sleep;
G Em C C B7
Cause every time you talk, I stall, so confusing, non excusing no.
Am C Am
You keep me spinning baby, I'm falling;
Dsus D
And I can't hold this in anymore

G C D
I know that we're moving too fast;
G C D
But I can't let go and it may not last but;
Em C Dsus D
I'm going deeper, deeper head over heels;
Em C
I go deeper, deeper;
Dsus G
And I hope it's for real this time

G D
And I realize now you're in my life;
C Dsus D
Nothing matters, nothing comes in-between;
G D
I surrender now and I will not fight;
C Dsus D
What we have is only you and I;
Am C
When you're gone I'm so empty;
Am Dsus D
I'm waiting and I'm longing to see you again
