Intro:
G#m   B   F#   C#
         La la la la-aah aah aah

Verso:
      G#m   B   F#
I was caught in a place far away
              C#
From the light
         G#m
What I saw
              B
I couldn t face
       F#   C#
So I closed my eyes.

Pré-Refrão:
                      G#m
Wish I could turn back the page
              B
Re-write my point of view
               F#
Save all the time you waste
              C#
(Got to get gone, gone)
               G#m
Don t let it escalade
                      B
Don t fight, it s just no use
                   F#
There s nothing left to say
              C#
(Got to get gone, gone, gone)

Refrão:
          G#m B
Forever is over
    F#   C#
And my hearts not gonna fight
          G#m B
Forever is over
    F#   C#
And I m no longer afraid
        G#m
Cuz if I don t get out now
       B
I may never escape

```
      F#                    C#
Your power is fading away and
             G#m   B         F#
I m getting closer to the place
     C#
I belong...
          G#m
Forever is over
             B          F#     C#
Over, over, over, over, over.
