Verso:
```
        B        C#
I m doing nothing,
Ebm                                F#          C#
   Cause then at least I m doing nothing wrong.
            B              C#

     Ebm
And turn off my telephone,
   B                  C#              Ebm  B
If nothing s gained, nothing s won
           B        C#
And you can tell them
Ebm                              F#          C#
   Yeah you can say whatever I dont care (eh)
           B            C#
Then if you wanna play it cool
        Ebm                      B      C#              F#

So when I speak listen cause you keep on pushing
        C#                  Ebm        C#
like I need permission to be heard oh oh oh
         B            F#              C#                  Ebm    C#
Im gonna lift to lift it higher, Im gonna lift to lift it higher.
        B                  F#
So when I speak listen this is my decision
       C#
And you keep on messing up the words.
```

Verso 2:
Im getting closer, closer.
I m moving in and yeah I think you know.
Cause I am sick of playing games
and im not gon say no names
but you and I know who to blame.
So you can tell them,

Cause I am in this shit myself, and I do not need your help,

i m gonna do this do it right.
