

Missing You
The Saturdays

Intro:

I miss missing you

F Am G

I miss missing you

F Am G

Verso:

Wheres the pain when you walk out the door

It doesnt hurt like it used to before

Wheres the love that we couldnt ignore

It doesnt kick like a pill anymore

Wheres the thrill at the end of our fights

Wheres the heat when we turn out the lights

Pré-Refrão:

I just miss all the mess that we made,

When we still had the passion to hate

Refrão:

I miss missing you, sometimes

I miss hurting you til you cry

I miss watching you as you try

Try not to end up in tears

Begging to get back together

I just want you to be

To be stuck in a second forever

So don t freak out if I leave.

Sometimes im just missing

Am

missing you (i miss missing you)

Verso 2:

Theres a dark cloud pulling me in
Thats the girl i was bathing in sin
Theres a blind force letting it win
and its longing to tear us apart
I get high when your making me weak
let me down till I crawl on my knees
