

Promise Me
The Saturdays

sup, the C at the beginning of the chorus is some sort of variation of C, and then later on in the first line it s a normal C, i can t work out what the variation is so sorry in advance if it doesn t sound right!

Intro

Am C E

Am (keep hammering on and off to get a rhythm, do this for all chords including intro)
So here we are again
I m almost giving in
I m over-listening about
Who you with or where you ve been

C

I got drunk with my friends
A list from one to ten

E

Are you the man that I need, I need? (No)

Am

If I was doing this
Would you put up with this?
Do what you re mama said

C

Love or leave alone
I m gone

E

Cos all you ever do

C
