Up
The Saturdays

```
    E
Go go go
          C                              E
Its time to make a move and we both know
                          C
Its time to step it up a notch
                  Am
I m ready to lose touch
        C
Baby boy, go go go

Am                      C
This is a crossing at the main intersection
E                   C
Up is where we go from here
Am          C
Finest selection
E                     C
This could take us anywhere
Am              C
I dont want protection
Am       C       Am       C
Life is better off the line-ine-ine

    Am            C             D
I m ready for the lift up, keep steady beat
Am                   C         D
Coz I m ready for the big jump, keep up with me
Am      C                   E
If you lose me then you know
                      C
Your just a bit too slow
C
I ll only go
Am
Up up up

Am            C
I m ready to be in control
C       E     Am                   C
And the ground isn t good enough for me
C               E           Am
I know where to find what I want
            C           E
```

I m gonna keep on, keep on
Am
Up up up

E
No turns now
          C
We re going strait
                   E
You better hold on tight
                             C
Coz if you fall your on your own
                 Am
Coz I m gonna go on
      C
No no, no turns now

Am   **C**
This is a final call for all destinations
E   **C**
This is where your in or out
Am   **C**
No hesitation
E   **C**
This is not the time for doubts
C   **E**
Make your decision
Am   **C**   **Am**   **C**
Are you on or off the line-ine-ine

    Am   **C**   **D**
I m ready for the lift up, keep steady beat
Am   **C**   **D**
Coz I m ready for the big jump, keep up with me
Am   **C**   **E**
If you lose me then you know
                 C
Your just a bit too slow
