

Beneath The Stars
The Savannah Leigh Band

Between the G and Em play a quick G/F# as a transition

Intro: **G Am C G** 2x

Em **G**
Here I m free

C **G**
The universe lays at my feet

Em **G**
Here I know

C **G**
the world will show me where I should go

Em **D7**
Where I should go

G **D7**
Beneath the stars the world is our stage

C **G**
Nothing can take that away

G **D7**
Beneath the stars theres promises made

C **G**
Dreams are born and hearts are saved

Em **D7**
oh when light brings on the day

Em **D7**
just think of the night and the memories we ve made

G
Beneath the Stars

Em **G**
Here our dreams

C **G**
are closer than once they had seemed

Em **G**
Here the sky

C **G**
leads us to wondering why

Em **D7**
wondering why

G **D7**
Beneath the stars the world is our stage

C **G**
Nothing can take that away

G **D7**
Beneath the stars theres promises made

C G
Dreams are born and hearts are saved
Em D7
oh when light brings on the day
Em D7
just think of the night and the memories we ve made
G
Beneath the Stars
