

Wake Up Sleeping  
The Saw Doctors

G

I ve got loads and loads of patience

C

And I m just as proud as you

G

C

But if it goes until I m dead and gone

D

I won t come running on after you

G

But if you enjoy remembering

C

When you were my best friend

G

C

Oh, I d really love to wake up sleeping

G

In your arms again

G

There was kids outside the window

C

On their first day back at school

G

C

The morning after our first night

D

Just me and you alone

G

And on the second of September

D

C

I knew I d found a friend

G

C

And I d really love to wake up sleeping

G

In your arms again

D

G

I ve never been this lonely

C

There s nowhere I can turn

G

C

But there must be strength in loneliness

D

And lessons to be learned

G

Well, you broke my heart in smithereens

D

C

I swear it will not mend

G

C

And I d really love to wake up sleeping

**G**

In your arms again

**G      B7      C**

Yes, I d really love to wake up sleeping

**B7**

In your arms again
