For the longest time I thought I d lost the best of me

But I ll be damned if I quit now and that s for sure

All I ever wanted was for you to look at me

And know I m all yours

Like the penguins need their wings for deep cold water dives

Like the earth needs the moon to keep it on course

Bsus2

When you touch me

I know there is purpose in my life

D/G **D**

Just know I m all yours

Chorus

D

I m a mess,

Bsus2 **D/G**

I confess that I m nothing without you

And there is nothing I can do to prove to you I m being honest

Now I see, everything and yes I ve known it all along

D **Bsus2** **D/G**

I was so lost, but I m back and I finally know now where my heart belongs
