I tape everyone inside this little book

See the world for once through your perfect brown eyes

And I d leave with you tonight if you would ask me to

C#

F#

There wouldn t be a doubt or question in my mind

I ve waited my whole life

F#

I m glad that I found you

F#

Some people just won t understand how much you truly mean to me

What matters most is that we re here against all of the odds

B

C#

F#

It s living proof that all these things were meant to be

No force strong enough to push my love aside
