

**Walk This Town**  
**The Scene Aesthetic**

\*\*\*\*\*Listen for strum pattern, its simple but has a little palm mute thrown in there

Chords:

**Em:** 020033 This is some variation of **Em7**..maybe suspended?  
**C:** 032033  
**Dsus/F:** 200233  
**Asus:** 002033 Not sure if thats the name.  
**Dsus:** 000233

Intro: **Em C** (x3) (he does a cool picking it s pretty easy, and uses these chords)

Verse 1:

**Em C**  
You re getting sick and tired  
**Em C**  
of being bossed around and gettin told what to do  
**Em C**  
you re uninspired  
**Em C**  
as the words that they are sayin start to get to you

Verse 2:

**Em C**  
you ve got a big, big heart  
**Em C**  
and you share it with the world but they don t share with you  
**Em C**  
you start crying now  
**Em C**  
cause you can t understand why anyone could be so cruel  
**Dsus/F**  
but soon decide to get it

Chorus (x2):

**G**  
And we will walk this town,  
**C Em**  
our fears that everyone will come knocking down  
**C**  
our dreams but we won t let them

**Asus/ Em/ C**  
we ll sing oh oh no  
**Asus/ Em/ C**  
yeah we ll keep singing baby no they won t

INTRO (x2)

Verse 3:

**Em C**  
I love the things you say  
**Em C**  
when you re talking to someone you think has lost their way  
**Em C**  
you ve got the perfect smile  
**Em C**  
that has driven every boy in town to all go wild  
**Asus Em C**  
I still wish that you d believe in you as much as you believed in me

CHORUS (x2)

BRIDGE:

**C Em**  
I know the look in your eye  
**Dsus**  
and I can tell that you re disappointed  
**C Em**  
I ve got a feeling inside  
**Dsus**  
and I know we re gonna break through this  
**C Em**  
Ill emphasize these words  
**Dsus**  
so you know that your not alone
