Anybody There
The Script

Verse 1:
```
        F#        F#/E      B/D#                 D

        F#        F#/E        B/D#             D
So hard to let it go-o, when it s there under my skin.
```

Chorus:
```
        G#m                                    B
Well if this is the face of a sinner,and if heaven is only for winners,
            G#m                     C#           F#
Well I don t care, cos I won t know, anybody there.
```

Verse 2:
```
                  G#            G#/F#

                 G#          G#/F#

          A#m                 D#          G#
I don t care, cause I won t know, anybody there.
