CAPO 4th FRET

C **D** **Em** **Em7** (x3)

[Verse 1]

Em

It s been a while since the two of us talked

Em7

About a week since the day you walked

C

Knowing things would never be the same

With your empty heart and mine full of pain

Em

Em7

So explain to me, how it came to this

Take it back to the night we kissed

C

It was Dublin city on a Friday night

D

Em7

You were vodkas and coke, I was Guinness all night

[Pre-Chorus]

Em

We were sitting with our backs against the world

C

Saying things that we thought but never heard

D

Who would have thought it would end up like this?

Em

Where everything we talked about is gone

Em7

D

And the only chance we have of moving on

Is try to take it back
C
Before it all went wrong

[Chorus]

D Em
Before the worst, before we mend
Em7
Before our hearts decide
C
It s time to love again
D Em
Before too late, before too long
Em7
Let s try to take it back
Em
Before it all went wrong

[Verse 2]

Em
There was a time, that we d stay up all night
Em7
Best friends talking till the daylight
C
Took the joys alongside the pain

With not much to loose, but so much to gain

Em Em7
Are hearing me? Cause I don t wanna miss,

Set you a drift on memory bliss
C
It was Grafton Street on a rainy night (ooh)
D Em7
I was down on one knee and you were mine for life

[Pre-Chorus]

Em
We were sitting with our backs against the world
C
Saying things that we thought but never heard

Who would have thought it would end up like this?

Em

Where everything we talked about is gone

Em7

And the only chance we have of moving on

Is try to take it back
