Broken Arrow by The Script
No Capo

There was no chords for this so I thought i d have a go, I hope they re alright, and I think they fit well enough to the song.

Intro: **Am F C F**

Am

This time he s gonna wear an iron suit
This time she s gonna fix her heart and make it bullet proof

F

He says he s gonna take a bite from the forbidden fruit
She says never never bite more than you can chew

C

But this time he s not gonna be another could ve been
This time she s gonna get real, love the skin she s in

F

He says a winner never quits, quitters never win
She says this time that she is built to face anything

(continue with the same chord progression)

This time he s gonna stand for who he is
This time she s gonna live to work, she s not working to live
He says just because you say it s true, it don t mean it is
She says if it seems too good to be true, well then it probably is
This time he s hell bent yeah he s heaven bound
This time she s gonna pick herself up no more breaking down
He says he s gonna turn the wheel, turn this shit around
She says if he s looking for love then she doesn t want to be found, no

F

C

When you shoot across the sky like a broken arrow

F

Am

It s so hard to keep yourself on the straight and narrow

F

C

When you shoot across the sky like a broken arrow

B

You fall of course (when you hit the ground
It s hard to get to heaven when you re born hell bound)

Am F C F (same progression as before)

This time he s gonna make it through the aftermath
This time she s gonna raise her head and choose the righteous path
He says one day we will look back and it will make us laugh
She says better to have and not need, than to need and not have
No matter what the cost it s better to have loved and lost

Have you ever met a man who never loved at all?
Yeah the higher they are the bigger they fall
You have to choose something cos you can't have it all

No, he's not gonna be the last to the finish line
She says think big even losers get lucky sometimes
He says it's gonna get better like a fine wine
She says it's hard to smell the roses when the sun don't shine
This time he's gonna find another way
This time she's gonna take it to the good ol' days with no airs or graces
Only warm embraces we're just two little street angels with dirty faces
